
cool site for cosplay stuff and ideas

Posted by Ayame - 2006/06/02 15:10

I have never ordered anything from this site, but I ran across it over the weekend, they have some pretty cool stuff,lots of nice Gothic Lolita stuff, and great ideas for people who make their own costumes:

That is a nice and instructive site, Ayame - I found it well worth looking around on. Will have another, more detailed browse later on. *hugs: 8)
