Reno was my first though, too. Then again, I'm a rabid FFVII:AC fangirl.  
Shu-chan is a classic shounen-ai character, though.

Reno. :nod:

well, that makes it easier, huh?  
Are you going with long-haired Reno, or short-haired Reno? (imo, long-haired his sexier =3)

<3  
Would you join us for the FF7/AC meetup I'm (trying) to organize? It's in another thread somewhere around here >\_>
