
Looking for room or roommates

Hi. My friend and I are going to yaoi-con and I meant to make a reservation for the Westin but waited too long. If anyone has room for two 20 year old females- polite, non-smokers- please let me know. We'd much rather split the costs.

We'll be there from the 20th-22nd. And I'm driving, so I would need to have one of the keys. I'd also be willing to put my name on the room if it helps.

If no one is available for that, would there happen to be two people- non-smokers, polite, reliable- that would like to share with us at the Clarion? I'll get a room there soon if no one responds. But I would prefer the first option as I'd rather stay at the Westin as I know my way around it a bit more, lol.

Thanks.
