Dude, tickets sold out so fast. I was going to wake up and purchase them at 10am, when they went on sale online - I finally got online at 12, and they were already sold out.

I got tickets to the Anaheim show, and my friend bought extra tickets for the show and traded them for SF show tickets...so it looks like I will be going to both shows afterall! :D

I now have four tickets to the second show at the Fillmore in San Francisco. I believe that it's the day after the show mentioned above. If anyone wants to trade a pair of tickets from the prior show, let me know. They are also sold out.

Edit: Wow, I can't believe that I thought my tickets were for Slim's. I changed that to the Fillmore. XD Thanks for that and the rest of your help, dalia.

May I ask how/where your friend made this trade? ^^

OMG.. you were there? What were you wearing?! I lucked out and made it to the concert.. I can't believe I didn't see this post before.. me and my laziness. The concert was so unbelievably awesome. My friend got one of the shirts the opening band tossed out.. and we both got one of the multitude of guitar pics they threw out at the end. If Hyde wasn't married, I would so want to get him into a dress and do naughty things to him while he cosplayed a girl. :P

i'm recooling from the week of hyde shows...

went to 3 - Anaheim, Slim's and Fillmore. i think in terms of performance, the Slim's show was the best, so much energy. my friend caught the shirt that the drummer of Black List Club took off and was thrown into the audience.

i was in the front row at Fillmore (yeah, got there at 5 am better be in front!) i wore a black tank and jeans...i was in front of Kaz. hyde is adorable, but i felt a connection with hyper Hiroki~ he was so happy looking that i immediately loved him. hyde's english was too funny, and he sounded great at Anaheim and Slim's (not so great at Fillmore) totally rockin'. oh and i caught a pick that Kaz threw out...well, maybe i shouldn't say "caught" since it pretty much landed in my cleavage :P

i wasn't too fond of the Faith album, but it sounds better now that i've been to the concerts. :)

My friend went to all 4.. the one in Anaheim, the one in Hollywood, the one at Slim's and the one at Fillmore. I only made it to the one at the Fillmore, although, I dropped her off at all the others. \*LOL\* Black tank.. jeans.. damn.. a lotta ppl were wearing that. Were you by the chick that had the fan and was like 'protecting' everyone in the front? I was about 4th row center at the Fillmore. Did you see the really tall chick with the red bows in her pigtails? I was right behind her.. she was one of the people I went with.. they got in line around 10am for the Fillmore show. Everyone said the Hollywood show and the Fillmore shows were the best.. something about the sound at Slim's.. I dunno.. I wasn't there. Damn.. I wish I had paid more attention to the cleavage that things fell into. I was doing my best not to stare at the delicious areas of all the people surrounding me. I did get a lot of cheap thrills being in that crowd tho. :P Oh.. I know.. I was the one wearing the 'YAOI is my anti-drug' shirt. A lot of people found me via my shirt. :P

Okay.. I'll shut up now. :P
