Any Muraki lovers out there?

Smut

Be warned: This picture is HUGE. Two original characters of mine enjoying some candelight naughtyfun.

Girls

For those who prefer lesbians. .

Thanks for the comments!

Actually, I don't really think it's talent so much as practice, I mean, compared to three years ago when I couldn't draw worth beans. . what a difference art school makes. . :wink:

Atrius, I do love your TankBoy - he rocks well! I love also the rainbow coloured gloves he's got on. Well done. Love all the other art too. Keep up the cool work.
