I have a Ringo cosplay (Vol. 3 cover Ringo outfit) I could bring although I really had no plan to bring Air Gear to yaoi-con. I could add it to my luggage though XD

Ringo is cool~ I could understand not wanting to dress as a girl to Yaoi-con though. -Giggle-

Maybe you could drag it along and we could just do some photos one day-- just so I can pose with someone else ^\_^;?

That sounds cool ^^ It would be great to have an Ikki between us...hetero vs. yaoi pairing XD XD XD But that definitely would be awesome. I'll just have to remember to pack it with everything else. ^^;;

At the moment I'm working on a IkkixAkito AMV.

I just got done with a SoraxRika amv, which suprisingly didnt turn out too bad considering I only used one episode ^\_^
