
Ouran High School Host Club - Princess Princess

Ouran:

Woo! Class presidents! Vice Presidents! Jocks! Twins! Cute young-looking ones who are actually of-age! ^_^

I haven't read the manga but I'm finding the Anime to be a laugh a minute.

Princess Princess:

This one may have to be a cosplay for me. I mean heck. I have long blonde hair. I can get a nice lolita dress. EASY :D

The show itself is quite fun too ^_^;

~Snickers~ If YOUR hair is badly treated, then mine must be dead...all the gell I put in it ~~ and hair spray and moose....~~ That's why I can't wait to get out of the marines...it means I don't have to put my hair up so tightly with all that gunk in it....

I dyed it black, once. Reactions alternated between people actually forgetting I'm a natural blonde to near-death threats. Apparently I'm meant to dye very subversively or just keep it blonde. ^^:

~Chuckles~ I'm almost afraid to see what my command will say when I show up to my own going away with short, spikie, bleach blond hair ~~ ah, oh well, screw them ^^.
