
Orginazation XIII Photoshoot...?

Posted by Selkis - 2006/06/04 10:07

Just curious if there are any people coming as Org 13 members and would be interested in a get together/photoshoot/meeting to take over the world/etc.

I'll be coming as Axel! ^.^

My bro and I had wanted to do Marluxia and Demyx, but that's looking like less and less of a possibility. On the other hand, if other people are doing Org. XIII that should be some incentive. I'll keep you posted.
