Hi everyone!

I dont usually "pimp" my art but I think it's time for me to stop being so shy and give it a try.  
For anyone who wants to know, it's my 3rd year attending Yaoi-con and this will be my 2nd year selling at the artist alley.

Here's a recent commission I've done.

So here are links to my art. I hope you like my style.
