This is a site that has been up for a while and it has varied work on it from fantasy to sci-fi etc. Any feedback would be very welcome. :)

Thanks for the feedback, Atrius. This site will be updated with some of my new manga when I get chance. There will be lots of Yaoi in there. :)

leha, the nekkid boys will be coming very soon as i've been drawing some new manga, so I will be posting the new site up when it is sorted out and done.

Do you like long haired boys, cause there's going to be a lot of them in the yaoi manga part of the new site? :)
