
Looking for Props

Posted by cirrus - 2006/09/24 12:04

Hey there,

I'm going to dress up my boyfriend as Kuro from Takashima Kazusa's "Inu mo Arukeba" (Man's Best Friend) book.

So I'm looking for a set of dog ears and dog tail. Anyone know a.) WHERE to find them quickly and easily, or b.) any dealers coming to Yaoi-con who will be selling them?

Thank you very much!!
