
Yaoicon 2006: Once Upon a Time - AMV Contest Finalists

Posted by thewiredknight - 2006/10/19 12:42

A little belated but here are our 28 finalists.

You'll notice that for ONCE I was able to subdivide the contest into categories. For once there were roughly enough entries to do this. To those whose video was moved from one category to another, my apologies; I had to fill out a couple of slots but I only moved videos that were borderline between two categories in order to do so at my discretion. Anyway, here are the finalists.
