STICKY is just about to sell through its first printing, so I am hoping to get the last 500 copies to move by asking folks who like STICKY to blog about it in their blogs... Can you do this for me?

As you may know, STICKY is a hardcover of slice-of-life gay erotic comics written by me, Dale Lazarov, and drawn by Steve MacIsaac. The book is published by Bruno Gmunder Verlag and distributed by all major book distributors. The ISBN for the book is 3861879719.

For a brief description of STICKY, check out the wikipedia page at

Here's an interview with me and Steve with some page samples from the book:
