## Regarding Pre-registration...

Posted by Big\_Mac - 2007/02/10 17:35

---

Are there any benefits/privileges (other than the price costing less) that one receives when registering/paying during the  
Â•gearly birdÂ•h pre-registration time period?

Negative. The price cut is the only benefit recieved. Unless you consider having your name typed on your con badge.

Besides the \$20 price discount and collectible badge, it'll be a breeze getting through registration to pick up your badge.

Thank you,  
Saya
