---

Let's say I pre-register two times at the same times. One for my friend as a surprised present while the last one is for me. The question is am I able to pick up more than one badges at the same times?

No. Please read the following note that is on the Registration Page.

### Pre-Registration & At-the-Door Registration:

It is mandatory to show a valid PHOTO ID at the Registration Desk to pick up your badge or to register. There will be no exceptions to this rule. Acceptable forms of photo ID: Valid Driver's License, Passport, School ID that contains photo and date of birth.

If you are a Pre-Registered Attendee, you are only allowed to pick up your own Membership Badge. Each person is required to show a PHOTO ID in order to collect his/her badge and convention materials.

Thank you,  
Saya
