
PARTY 07

Posted by hibaakaiko - 2007/02/28 10:59

I was thinking, and it occurred to me, that some people might not be looking at the old post (Party!) because they think it has just wandered far and wide from the Original topic, and the original topic was for last years con anyways. So I have started a NEW thread that will only apply to this year's party. Here you will find information as it becomes available. As of now there is no further information, mostly because I am still asking around and formulating...as soon as I have a time confirmed and events arranged loosely in my muzzy mind I will be posting them here. Thank you for your time.

Hi! I'm not sure what you already have worked out for your party but I booked a suite for me and the friends I'm going with. We were thinking of throwing a room party anyways so if you need an extra room for the party I'm offering up ours if you'd like. I have it from thurs til mon so any night is good. Just let me know. ^_^

Re: PARTY 07

Posted by hibaakaiko - 2007/03/01 15:38

Oooh....that would be nice...~~ But I don't want to bother you. Really, this party isn't just a party, its a celebration of my freedom from the Military....besides, last year people got a little crazy playing Whoreopoly and I'm sure you've got your own things planned. Thank you anyways.

Re: PARTY 07

Posted by badluck_fangrrl - 2007/03/01 17:05

lol!

Trust me it's no bother, that's why we got a suite anyways. When I mentioned your party to one of the friends I'm going with she got all excited wondering if she could crash it. We were just looking for a way to interact with a few more people at con and make it a good year. If you really don't wanna use it that's cool but seriously. It's no prob, actually my friend might be the noisiest one there...

Re: PARTY 07

Posted by hibaakaiko - 2007/03/01 19:04

Well how about this, we cohost the part because I've only got Seekingknight, HeeroJF and myself putting this together this year and I had four people last year to help carry things and what not....because I would feel bad if I used your room and didn't let you help with the party...or if we had two parties going on at once ~~ So how about we just make it one party, in your room and we all work together to make it the best one ever...

Re: PARTY 07

Posted by hibaakaiko - 2007/03/07 05:43

Okay! This is what Everyone's been waiting for! THE DETAILS!

THURSDAY

6:00 (18:00) That's at night folks!

Room TBA

Games, YES

Alcohol, Only if you are of age and bring your own because I've weird tastes!

Food, bring your own. I can't cook to save my life and again, I've weird tastes.

Where: The con hotel, if you would like to go be in the lobby from between 5:45-6:00.

How: I will be handing out flyers instead of announcing so that the hotel staff does not over hear and decide to PESTER us like they did last year. I would love it if you would help out in this and when you're handed some flyers, pass them around to your buddies and head on up if you want to go.

Rules! THIS IS VERY IMPORTANT! We can not continue to host parties if you guys get stupid or piss me off. Last year some idiots were trying to get key cards to the room that he party was held in. YOU DO NOT NEED A KEY CARD TOGET INTO THE ROOM. If you KNOCK and wait a few seconds, we'll let you in! If you do the same thing this year I will no longer hold parties. You idiots got my friend in trouble, which REALLY REALLY pissed me off! So behave! Next, we had problems with sound. Hopefully we won't have that problem this year, (It really wasn't a problem last year, they were just pissy because they don't like our kind.) but just in case, I will pass this on...DON'T GET STUPID! If I tell you all to hush up, do as you're told. If you get too roudy, I will toss you out on your ear. Don't tempt me, I'm stronger than I look.

LASTLY, This party is to honor our Service members! If you're ex, or active duty military you get certain perks that other party goers don't get...especially if you're male...~Giggles evilly~ So just speak up and I'll make sure you GET your perks. ~Winks~ If you have any questions, please post them here or IM me and I will answer them at once. Sorry for my language ~~

This party will probably be better, if not just for the bigger room, but now you have experience of throwing a con party.. (ive always wanted to..but I'm a big procrastinator and a bit on the lazy side... xD) but I can't wait to see how it goes. (last year was fun but I'm sure it will go better since we have a larger room now.. ^^

I'd PAY to see that!....I wonder about Neko_Bazu's measurements...maybe they're slimer than my own measurements and we could fit Neko in my school girl outfit I'm making...~Giggles~

Also, whoreopoly is twist on monopoly, where you do really perverted things to get land and advance...I.e. if you can't afford the rent on a hotel you stay at, you can whore yourself out to get the money ^^

Nope; my editor's pen wants to go through and fix those also. It's one of the reasons why I usually don't correct spelling mistakes on others, because then it would open me to scrutiny. (I try to be correct, but sometimes I just don't feel like looking up something.) I know that 'irk' would be the spelling on the one, but plaster... well, the first thing that comes to my mind there is plastering a wall. And apparently, my instinct on 'plastered' is found in UrbanDictionary, so I'll go with that one. (Me? At UrbanDictionary? Ugh, I think I need to wash now...)

Getting back on track, though, I always need to pester the people who complain about other peoples' spelling, and make mistakes themselves. It's that little perfectionist nag in my head. (Shut up back there.)

No worries now anyway; it's all in the past :D

I for one shan't be getting plastered/hammered/wasted/slaughtered/etc at this party, should I attend, anyway - lord knows bishie duties are tiring enough without a hangover as well! (And I'd get one. It'd be sod's law, I'd get one). That's not to say I wouldn't enjoy a drink or two, mind - I may just have to politely decline a refill every so often :)

Ah well, I think I'm going to end up being the one in my group to try and stay at buzzed level. I'm usually the one to stay sober enough to keep an eye on the others. heh
So I'll bringing a large assortment of the lighter stuff like Smirnoff Twisted if you guys wanna put in any requests. I totally agree with hibaakaiko about providing to minors tho so don't even ask if you're under 21.
Also, I'm planning on having a speaker set up for my ipod if people want to request any music. Or possibly a stereo if people would like to bring their own cd's.
I'm still getting caught up with everything at home since my trip but I'll be keeping my eyes posted here with pen and paper handy if y'all have any requests.

I've been thinking about the beverage issue and just realized that you can get all types of booze at BevMo really cheap. They buy in bulk and sometimes offer prices up to 60% or more off... (if you have the BevMo card- which is a free discount card, like the ones you get at the grocery store.) Just a thought. :wink:

(You can get all types of sodas, fruit juices, snacks, etc. there too. It's a large place! 8))

Re: PARTY 07

Well looks like Em says the tv's in the room have an S-cord plug and both of us will have our laptops. She didn't mention the RYW hook-ups but I have a bunch of yaoi on mine and she always brings a bunch of her dvds. However, if anyone wants something specific they can bring it or one of us might already have it, so start making a request list and we'll make sure to get a good selection. ^_^v

BevMo doesn't sound like a bad idea, I was wondering where I was gonna go shopping once I check-in and it looks like there's one down the road from the hotel.

Re: PARTY 07

hmmm, right now I have just about every shounen-ai/yaoi anime that's been subbed. If anyone has a specific request please ask and I'll check if I have it.

I also have all of Ouran, Trinity Blood, Negima, FMoS, Saber Marionette J, YnM, Mirage of Blaze, FB, and I also have access to Naruto thru 150 (<---sooo not mine but I can bring if anyone wants).

I know I have alot more but that's all I can think of right now so just let me know what to bring. ^_^

I wouldn't worry too much as I'm pretty sure the party's gonna last loooong into the night. I'm sure by the time con hits we can figure out a system to get the latecomers to the right place. :D

I, of course need that time to perfect my cake recipe (penis cupcakes! yay!), and to write down the list of anime/music I'm

bringing. As well as my alcohol list..

Doesn't sound like much but between both my jobs I get one night off a week and I also have to get to finishing sewing some cosplay stuff for friends.

I think it's safe to say that ycon is both too soon and too far away.

RSVP NOW!

Anyways...it seems that there isn't as much interest in my party this year << So I'm going to try to keep this up on top of the forums to hype it up as much as possible. To reiterate; the party is going to start at eighteen hundred sharp (6:00 in the evening.) Invites will be available in the lobby starting at 17:45 (5:45). If you aren't around that early, I will leave stacks of the cards lying around. Drinking is prohibited for those of you underage, but if you want to be stupid and drink always, I'm not going to be carding people. I believe we're all mature adults here, so please follow the laws. Food will be available, and we're trying to set up music/anime to show this year (If we can get the tv to work this year, it didn't last year.) Also; please note that I can't provide everything, so if you want to be sure to have food to snack on, please bring some food to the party! ^^ Also, we will be playing some rather adult games ^^ but remember, if you feel uncomfortable, you don't have to participate, and if someone is bothering you, inform the hostess or the hosts and we will bounce them out on their ear. More importantly! REMEMBER TO HAVE FUN AND TO SAY THANKS TO THOSE WHO PROTECT OUR FREEDOME EVERY DAY!

Re: PARTY 07

I'm flying in on Thursday. May make an appearance if I have a clear indication of what hotel room to get to and a possible escort back to my room if I have a bit too much to drink.

Re: PARTY 07

Posted by hibaakaiko - 2007/09/25 05:31

~Laughs~ YES WHOREOPOLY! My own make of the game ~Giggles evilly~ If you're a guy ...I'm sure you'll like it! But...anyways....if you really want to know what it is, come and find out for yourself!

Also, for those ariving late, I will be leaving my invites in the loby on tables....so if you want to come....if there are any invites left...just find one. They will have the room number on it, or ask around!

Re: PARTY 07

Posted by Yami_no_lte - 2007/09/25 11:06

whines But that's a whole month away..... I wanna know nooo-ooooowwwwww. :D

And I have to say. This con is the only whing keeping me at my current job until I can get a different one. Wake up at 5 AM to catch bus, don't feel like going, my mantra, "Think Yaoi-con, Think Yaoi-con, Think Yaoi-con....." But I did get a call from CompUSA, so maybe i'll get in with them. But knowing me, I will have to tell them I have a prior engagement, possibly tell them its a "family" thing, at the end of October that i'm already committed to. Cause I don't want to get hired only to get into trouble cause I wasn't up front with them....

Re: PARTY 07

Posted by hibaakaiko - 2007/09/25 16:30

Oo....you don't have to tell them..you have a right vacation. Just ask about vacation time...if they have rules on when and how much leave you get...then...tell them. But not before it becomes clear that you might have a hard time taking that leave...

Re: PARTY 07

Posted by Yami_no_lte - 2007/09/25 17:14

I know I didn't really *have* to tell them, but I wouldn't want to get hired, then tell them I have this thing I'm going to, and end op getting fired or getting in trouble because i'd only been working there for a week or whatever.

anyways! I've pretty much gathered up what bl anime stuff I have for my laptop to watch on the tv (a hotel that doesn't block the outlets *gasp*) and I've got a sample list below. If you guys want anything else just say so and I'll see if I have it! ^_^

After School in the Teacher's Lounge, Angel's Feather, Boku no Pico (and 2 - Pico to Chico), Boku no Sexual Harassment, Earthian, Fujimi Orchestra, Gakuen Heaven, Okane ga Nai, Papa to KISS IN THE DARK, Sensitive Pornograph, Zetsuai 1989 and Bronze, Ariaso Private High School Student Council Executive Committee and Princess Princess

That's just the bl stuff I also have quite a bit of reg anime. So yeah, speak up if you have a request!

I just went thru my brothers stuff and *borrowed* his Death Note collection. :D

One of my roomies said she's gonna bring her PS2 so I guess I'll grab my Odin Sphere, if anyone wants to bring any other games they're welcome to.

On a side note. I'm not sure if anyone's interested but some of us (my roomies) have been tossin the idea round bout maybe havin another get-together friday night. One of us isn't coming in til friday and we've decided to make the most of this year so... *shrugs*

Any and all are welcome. ^__^

Re: PARTY 07

do you guys/gals have any idea what time is the open ceremony? Cause just like badluck_fangrrl, i am thinking about a

2nd get together on Friday. My 6 other roomies are all new to yaoicon, just like i am, but some of 'em will be arriving on friday, so a 2nd gathering sounds great for all of us, getting to meet lots of new ppl, just to have fun, maybe we could go into town as a group! (In that case, I wouldn't get lost!)

Re: PARTY 07

Posted by badluck_fangrrl - 2007/10/04 20:11

ah! I almost forgot the 801 Media suite party is friday night after opening ceremonies... it's non-alcoholic tho. *pouts* I find it easier to get to know people in organized smaller groups and I'm trying to get around my chronic shyness. ^_^; Last years opening ceremonies were from 6-7 and the 801 party started at 8... so! it leaves alot of the night open. I just thought it'd be a nice idea for those not coming in til friday to have a smaller get together and meet some new people. And yeah the video room should be going but it's always a toss-up for me if I wanna see what they're showing, and that's if they're even showing what the schedule says they are... lol

and to keep this more on topic...

Did anyone have any music requestsfor the party? My music taste is pretty specific so I can try to get something if there are any requests. :D

Re: PARTY 07

Posted by J_Chen - 2007/10/04 20:20

so the opening ceremony will be in the evening? I am coming in on Thursday, and join Kaiko-sensei's party, other than that, don't have any thing plan for Friday moring til the ceremony. maybe we could meet up in the moring and go into town, or do something fun together? I really want to visit Japan town, and get my hands on some yaoi material.

Did I mention I am very anxious and scare right now? the con is so near, i can't belived it's really coming! I donna what to do! I am far too excited! XoX

Japan town is a really neat place... Me and a couple of ppl I met at the con last year went there and had a blast <http://www.youtube.com/watch?v=D9pMArkCkC0>

Re: PARTY 07

Don't need a car to get there folks! catch a shuttle back to the airport, get off at the international airport stop, go to the BART line that connects there, ride it to Mongumory station, get off, head to SUTTER streat, catch the 2 3 or 4 bus lines up to JP town. cheaper than gass if ya ask me and no worry about traffic.

I'm reaaaallllly interested, do you guys have a car? That'd be really helpful...
At first I was thinking of packing some food in my suitcase, but that would've been a bad idea..xD
I figured I'd buy some of the basics.. some drinks, bread, peanut butter, etc... That way I won't have to buy some over priced junk from the restaurant in the hotel or whatever.. ^^ (im hoping our room has a fridge... if not I'll live)
btw I get in around 2:30-3 too.. Do you have a cell I could call when I get there?

I'm also wondering what I should bring for the party.. I'm sure something will pop up ^^

No we don't have a car. This is the first time either of us will be going to CA. But I know there is public transit. That's what we were planning on taking. We're going to get food for the weekend so we can spend our money on more important things. If she and I work something out I'll post a message on here. Re: PARTY 07

Posted by hibaakaiko - 2007/10/10 13:00

JUST ANOTHER REMINDER!

THURSDAY

6:00 (18:00) That's at night folks!

Room TBA

Games, YES

Alcohol, Only if you are of age and bring your own because I've weird tastes!

Food, bring your own. I can't cook to save my life and again, I've weird tastes.

Where: The con hotel, if you would like to go, be in the lobby from between 5:45-6:00. (maybe even sooner cause I'm so excited about this, I might start handing out invites sooner...but this depends on when I come back from J town)

How: I will be handing out flyers instead of announcing so that the hotel staff does not over hear and decide to PESTER us like they did last year. I would love it if you would help out in this and when you're handed some flyers, pass them around to your buddies and head on up if you want to go.

Rules! THIS IS VERY IMPORTANT! We can not continue to host parties if you guys get stupid or piss me off. Last year some idiots were trying to get key cards to the room that the party was held in.

YOU DO NOT NEED A KEY CARD TO GET INTO THE ROOM.

If you KNOCK and wait a few seconds, we'll let you in! If you do the same thing this year I will no longer hold parties. You idiots got my friend in trouble, which REALLY REALLY pissed me off! So behave! Next, we had problems with being loud. Hopefully we won't have that problem this year, (It really wasn't a problem last year, they were just pissy because they don't like our kind.) but just in case, I will pass this on...

DON'T GET STUPID! If I tell you all to hush up, do as you're told. If you get too roudy, I will toss you out on your ear. Don't tempt me, I'm stronger than I look.

LASTLY, This party is to honor our Service members! If you're ex, or active duty military you get certain perks that other party goers don't get...especially if you're male...~Giggles evilly~ So just speak up and I'll make sure you GET your perks. ~Winks~ If you have any questions, please post them here or IM me and I will answer them as soon as I can!

Re: PARTY 07

Posted by uchihacest007 - 2007/10/10 14:20

Hey, Hiba-chan, when is your group leaving for J-town?

And I'm pretty sure people will follow the rules if you stick to them.. like if someones loud, you give them a warning, and if you have to give em 2 or 3 warnings you kick em out... ? (just a suggestion ^^) btw, on the flyers maybe you could post the rules n stuff ? ^^

Re: PARTY 07

Posted by hibaakaiko - 2007/10/10 15:20

<< it's not going to be THAT big, just little cards so the idiots at the front counter will think I'm handing out business cards or something.

And for those of you who are following this thread and would like to go to JP town cause you're coming in early, there are many diff ways to get around, so I scouted them all out in detail ^^ If you're going with me, more than likely, I will have the time tables for all these differnt forms of transit so we know when to go and what not ^^ See ya guys there!

Just as a note!!!!!!! I will be posting this all over the place!!!!!!

The cal train in about .7 miles away (i think that would take about 15 min. walking ot get to) The cal train goes to the SFO so you can catch the bart from there to get around.

Then it seems like the 292 bus runs from S Delawear to down town SF and that is only .4 miles away, much closer, and I think that would take about 10 min. walking. you can hop off this bus at montgomery (however you spell that) and catch the 2,3, or 4 bus to Japan town.

SO It seems that, even though the hotel shuttle does not get around as often as we would like, we can still get around rather well without it!! Just to let you mass transit junkies know ^^

Re: PARTY 07

Posted by Yami_no_Ite - 2007/10/10 20:39

Can't wait till all this happens. I've got my plane tickets, at least, i'm pretty sure I do, since the website says so even if they didn't send me the confrimation email like they said they would.....

As for if there's not a mini fridge, well, it shouldn't be *too* hard to get food that will keep. After all, they *should* have coffe makers in the rooms, and you can just get a bunch of instant noodles and such like. That was one of the really fun parts of the Euro trip a couple friends and I took a couple years ago.

Honey, OO They ripped you off, if you don't got a confirmation number, you don't have a ticket. That convernation number is the number you type in to the kyosk to get your real ticket. YOu better call the airport right away!

Yeah. I'm gonna go poke them some.

Edit: There we go. Called customer service. Even their automated phone system said I had the flight. Had them send me the email (again?) though...

Re: PARTY 07

Posted by hibaakaiko - 2007/10/10 20:51

I'd do it tomorrow, before it's too late, because if you don't have a ticket and you still want to go, you're going to have to BUY one (if you can still aford it) and buying a ticket so close to departure date, you're going to be lucky to get a flight you want.

Scratches head, really needs to check these forums more then 4 times a year. Room parties at y-con? I've attended this con since it started. (And that first year was nice for the simple fact Japan Center was RIGHT there *Snickers), and I've only ever heard about them. Like a day later. Figure they're all privet and what not. Some cons I've been to have a Party Floor. You know how nice that is? Just wander from party to party. It's great fun, till someone looses an eye!

Gah 11 pages to read, I don't wanna read all that.

I know it's set for Thursday night, fliers and cards to be handed out the day off. Sadly I probably wont be getting to the hotel till about 7 or 8 (Driving down from Humboldt county) Any possible way to find the room number out before hand? If the hotel is quick at cleaning, all those pieces of paper will be gone by then *laughs*

Anyway, need someone to play security? I have no problem doing that, I'm scary looking *nods sagely*

Don't question it, my son.

If folks wanna have some fun with ya, so be it!

Go with the flow, you know?

Though if I were you, I'd be sure to bring some lube...or something, you know...something slippery to slip out of them ropes.

Pray they use silk or nylon, cause anything else would be unsophisticated.

hibaakaiko>

As for texting, that'd be pretty hard (if your drunk)

Cause I don't have a cell.

Well I did, but it's one of those pay as you go, and I sorta lost the charger at the last hotel I stayed at...And the hotel people are NO help in getting it back. They seem to think I live in the same city, and can just show up to identify it.

With luck I'll be able to find it, that's if I feel up too it. *Chuckles*

well I leave really early on wed (like five or five therty in the morning), and Monday and tuesdayl have so much shit to do, I just don't want to have to worry about packing if I can help it << I mean, you try worying about packing when you have an art history test, a huge project that is due in two weeks, but you have to get it done before the end of class monday to be able to take my color theory quiz <<. And then tuesday I have to take my Japanese test, then turn in my take home quiz for linquistics, SKIP linguistics to tutor my friend on Japanese, or she'll fail this test <<. Then I have Asian art history and then I have to help my friend with her Japanese again...cuase she is REALLY doing bad. Who knows when I'm gonna get home on monday and wed...probably some time after nine at night.

JUST ANOTHER REMINDER!

THURSDAY

6:00 (18:00) That's at night folks!

Room TBA

Games, YES

Alcohol, Only if you are of age and bring your own because I've weird tastes!
Food, bring your own. I can't cook to save my life and again, I've weird tastes.
Where: The con hotel, if you would like to go, be in the lobby from between 5:45-6:00. (maybe even sooner cause I'm so excited about this, I might start handing out invites sooner...but this depends on when I come back from J town)

How: I will be handing out flyers instead of announcing so that the hotel staff does not over hear and decide to PESTER us like they did last year. I would love it if you would help out in this and when you're handed some flyers, pass them around to your buddies and head on up if you want to go.

Rules! THIS IS VERY IMPORTANT! We can not continue to host parties if you guys get stupid or piss me off. Last year some idiots were trying to get key cards to the room that the party was held in.

YOU DO NOT NEED A KEY CARD TO GET INTO THE ROOM.

If you KNOCK and wait a few seconds, we'll let you in! If you do the same thing this year I will no longer hold parties. You idiots got my friend in trouble, which REALLY REALLY pissed me off! So behave! Next, we had problems with being loud. Hopefully we won't have that problem this year, (It really wasn't a problem last year, they were just pissy because they don't like our kind.) but just in case, I will pass this on...

DON'T GET STUPID! If I tell you all to hush up, do as you're told. If you get too roudy, I will toss you out on your ear. Don't tempt me, I'm stronger than I look.

LASTLY, This party is to honor our Service members! If you're ex, or active duty military you get certain perks that other party goers don't get...especially if you're male...~Giggles evilly~ So just speak up and I'll make sure you GET your perks. ~Winks~ If you have any questions, please post them here or IM me and I will answer them as soon as I can!

>>kicks computer<<Stupid university wireless. Anyways glad to see everyone had fun we'll have to do it again next year, I will be working on getting the pics posted soon as well as planning out next years convention run schedule. I might hit

up California again before next yaoicon not sure though, Ive had my fill of extreamly large cons and prefer the small to medium variety, like yaoicon and animefest provide. I'll have to consider driving next year too, while the airlines did their job well, there are some drinks now legal in Texas that I cannot get in California nor transport on the airline, (mainly Everclear, a favorite of mine in giving drinks a little punch, and something I have yet to try and probably wont bring the newly imported and legalized in Texas, Absinthe, the green fairy drink, perhaps I could just mail the drinks to the convention). Anyways great fun, someone bring some ice chests, lol, someone had a little too much fun watching me run in a fur skirt.

As always, there is going to be a party this year at 08 ^^ Looking for volunteers for help with set up/ buying alcohol and food. I already have one helper, I would like to have two to three more so very limited space ^^ If my room mate (Neon, you know who you are) wants to help this year around, she has the first slot. That leaves only two left!!!! So if you want to help out with one of the better parties out there ^^ Just IM me ASAP, first come first serve (I will be accepting helpers based on time and date stamps of the IMS.) So post quick!

Well this is a mess << People, Helping means arriving uber early on thursday, meeting me at the airport, going to town to buy stuff (or bringing it in with you if you live in SF.) It's not about volunteering to bring stuff in << if you're my helper, you'll have to hang around to move furniture (if need be) help me carry things, get people up to the room, deal with my screaming and yelling when things do go right <<. AND I did not say leave a reply here, if you want to volunteer, please send me an IM so we can converse to figure out (after the con registration is up and we get our flights worked out) when and where I'm going to meet you, etc. Thank you.

neither does star wars or the simpsons, but they have a version...

But they probably had to pay the company for the rights to make their versions. Don't wanna think how much that cost.

Re: PARTY 07

It's not them who made the version, it's Parkerbrothers who paid the owner of the rights to the movie and the tv show to make a game with imagery from those things.
