How do we pre-reg with volunteer hours?

This information can be found on the Registration Page under FAQ:

Q: I'm part of the volunteer staff. Do I have to pay to register?

A: Volunteers have to register (and pay) like everyone else, but volunteers are eligible for raffles, events, and freebies that won't be available to other attendees.

NOTE: If you are registering with your 2006 Volunteer hours, please register as normal and submit a payment if necessary. 7+ hours gets you in for half off and 12+ hours gets you in for free. If you don't know how many hours you've accumulated, please email Elisia (volunteers @yaoicon.com) to check. Then you will email Saya (registration @yaoicon.com) to let her know you're using your hours for some or all of your payment.

Thank you,  
Saya
