I'm working on seeing if we can't get a supply of... Corn personal massagers for sale at the YCon booth. >.> <.< I'm not stirring things up at allll. Nope. I'm just an innocent little monkey. But keep an eye out. There should be some changes and restruccioning this year. Including better prizes for the cosplay. *runs away like the Duo Monkey she is*

It seems to me if you love yaoi then you have to know about that corn episode. Not because its a must but because it seems everyone knows of that scene or their friends tell them...
