## Gackt Anyone?

Posted by Syuichi - 2007/05/31 08:21

---

AH! Gackt is having a concert with Meeves and Yoshiki and Sugizo at Anime Expo and I want to go but I have more chance of going to Yaoi-con since its closer to where I live and also, I've been wanting to go here for two years now! But hey, Gackt!!! Still in America...having an American concert that I don't have enough money or ride to go to
