## Art website

Posted by nonie - 2006/11/02 11:36

---

I'm a professional freelancer... I'm currently working for the creator of Yaoi 911 on a graphic novel.

<http://www.wmnelson.com>

Couldn't make the con this year but I plan to be at the next one fo sho.

Wehehehllll, since I now live in San Francisco, I'll definitely be at the con this year... The book I'm doing with Yaoi 911 isn't ready yet, but it's gonna be good, we're printing it in full color on high quality card stock and everything ^\_^
