I had heard a while back that kitty media aquired the lisenche for Aya Yamanes Crimson spell and emailed them, to my suprise i acually got a reply wich is :

Yes, we have acquired it. Look for it to become available first or second quarter of 2007

This was around september 2006.

havent heard anything sicne, but emailed them again about potential release date.

Does anyone know when it would be coming out???

This is an ancient thread, but I'm commenting on it anyway, because it turns out Crimson Spell 2 is going to be available at y-con - they told me at the Yaoi Press table at Otakon. So yay!

Media Blasters, I think you mean. ^_^

Crimson Spell 2 will actually be out the week before the con (9/18), so I imagine they should have plenty of copies with them.
