## Registration Benefit Details

Alright, for me, as a first time attendee to Yaoi-con, there's a number of things I don't yet know about it. One of which I try and learn about each con I attend is the registration benefits, and it frustrates me when the convention websites fail to properly explain all the registration benefits.

Browsing the FAQ forum, I think I've come across the answer I was looking for, but I'd like to double-check. Here's what I've gathered so far:

Early Bird Registration - February 5th - May 31st - \$40 - Collectable Convention Badge

Pre Registration - June 1st - September 26th - \$50 - Printed Paper Convention Badge

At-the-Door Registration - \$60 - Handwritten Convention Pass

I like to collect badges from the cons I attend, as I'm sure many of us do, so before registering it'd be great if I knew exactly what I'll be getting and if it's too late to get a collectable badge. Also in the interest of my fellow con-goers, it'd be great if this information could be placed in the registration section of the website for future reference. Thanks for your help in advance!

There's no difference in the badge you get for prepping before May 31st and after. It's the same badge, so long as you DO pre-reg.
