
Phoenix Wright cosplayers?

Posted by Ryshili - 2007/07/12 15:25

Is there gonna be any Phoenix Wright cosplayers?

I know me and my 2 other friends are most definatly going to be whipping out our PW cosplays for the con.

My friend Nagi will be Phoenix
My friend Brad will be Edgeworth
and me?

I'm Manfred von Karma... Which is so out of place for Yaoi-con, but ah well. :3

And I... will so be taking photos. :D

I won't be doing any PW cosplay due to time restraints, but it warms my heart to see that there will be cosplayers there.

Well, you'll get alot of Phoenix x Edgeworth action.. since my friends are each other's significant other. :3

I would, but I'm gonna be one guy in a suit as it is and my brain keeps drawing a blank on anyone with glasses that's an option otherwise. I can't walk around without the glasses, either, or I'd get a killed headache.

My girlfriend has glasses and she just takes off her glasses for pictures. It works very well for that.. since the only person she's cosplayed that actually has glasses is Yomiko. She did Maya and just took them off.. easy as pie. :3

And the PW chars that do wear that I remember is Adrian, Maggie, Richard Wellington and Gant.

I think my friend Mel might be bringing her Phoenix Wright cosplay. I bet she'd be interested to know others are cosplaying PW. :D

My cosplay partner and I will be there as Phoenix and Edgey.

Do we want to work out a gathering time or something? Because that would be super-awesome.

I'm contemplating bringing my NaruHobo costume from the 4th game. Although I'm not sure if anyone else will be cosplaying from GS4 so I'm a bit reluctant.

Not sure... Any suggestions? I'm not really familiar with the venue since it's going to be there the first time.

Maybe somewhere in front?

I'd like to do it indoors. Because it'd look a little more business like. *shrug*

That and Godot mask -= sweaty

Well I think we should like meet in someones room or maybe like the lobby of the hotel, I think it might be pretty easy to pin-point the Phoenix Wright cosplayers from the others, We look more business-y and we love the characters ^^ Oh! And I am going to be Gumshoe for this gathering....Im trying to make it my signature cosplay.

EDIT: The gathering is going to be at 4pm on sat. in the lobby Be their to meet up with all of your favorite Phoenix wright characters! Marriott San Mateo-San Francisco Airport Hotel lobby
