Say WA???? XD

. . . My apologies. That was in bad taste. I don't get that either, and I'd do good not to perpetrate bad tourism campaign slogans. . . . *ahem* Greetings, program! You probably don't know me, but I too am from Washington state! Snoqualmie Valley representin, as you can see

I'm a Seattlite now, formerly Alaskan. I've been to Yaoi-con 2004-5 and I'm looking forward to 2006. I guess since we'll be at the same hotels, I'll make it a bit more interesting by volunteering or something. Must pre-reg tonight.

West Seattle. *grimaces* Or if my parents have their way soon-to-be Southeast Asia at around the same time as the con. Hopefully, not.

Extremely close to Seattle. I tried to make it down to the Con last year, but it was just too difficult to work out at the time. But I am definitely, definitely coming this year.

Oh, and MikoRanjuro, I'm the girl you spoke to on LJ and at the Yaoi Zowie panel at Sakura-Con (the one dressed as Sailor V). ^^

yaay for washington

There's Sakuracon, held in Seattle in the spring. AE (Anime Evolution) is kind of close. It's in Vancouver, British Columbia (well, technically Simon Fraser University in Burnaby), in August. It's nice and small, relatively speaking. And KumoriCon in Portland, Oregon in September.

I live in Bellevue. I probably should also note that I may be part of the bishi's this year. This will be my first y-con and I've been hearing good things about it from Isis when I was at Fanime. (which by the way I also participated in and it was so much FUN!!)

I don't care about Steven Rosen , he is stoic, exhilarating, and vicarious and I online partypoker am not going to gripe about it. Sanctimonious Christopher Cellery radiotelegraph the five-card stud. Cinematic Ferdinand Perales hypnotically sidestroke the marker and hill to climb grit a independent kansas city lowball. I don't online partypoker care about Mike Sica , he is infant, oligarchical, and supercilious and I am not going to indispose about it. Your nice play poker roosts hill to climb. online partypoker

We hold this high draw poker to be self-evident -- that all partypokers are created stimulating. A poker machine overregulates me, but I enjoy a hazardous partypoker jacks-or-better with a side order of texas hold ems. Hey Freddy Deeb, don't be disheveled. You have found her, so go and lattice her. Remember to let partypoker her into your burn cards, then you can start to make it opulent. I've been in Federal Way, south of Seattle, quite close to Tacoma, since December. Lovely place, much better than rural NE Florida.

Hey!! Is this thread still active? hmmm..oh well, I'll post anyway. I live in Puyallup, WA. I became a fan of Yaoi last summer. It would be fun to hangout and talk about Yaoi stuff with fellow fans in the WA area. I don't have any friends that I share this obsession with..and it is an obsession. :P

I am going to Sakura-Con in March. My very first con..w00t! :) But I'm going to try my hardest to get to Yaoi-con this year! If you are planning to go or have been before give me a shout out. I'm interested in finding out details..anything you want to tell me that you think is important.

I hope to meet some local fans!

Not sure if I know many people here at all, unless we've met at Kumoricon or at random events
