Hi, do you still have space available? I plan on staying there from 10/25-29. I'll be flying in from New Jersey.

I'm 24, soon to be 25, and I don't smoke/drink.

I just have to ask my boss for the time off. I'm pretty sure I'll be able to go, but I'll let you know for sure by this Tuesday.
:D

Absolutley!

Posted by chrismage - 2007/04/28 16:10

Absouttley.

You can either share a bedroom with one of the other girls sharing with me or on the pull out bed in the living area.Your choice.

Posted by pearlmagic - 2007/05/11 16:12

I'm sorry to say, but I won't be able to go mainly because of money issues (going to the Fanime con in San Jose at the end of this month plus I'll be staying an extra week in San Fransisco and it's going to cost me more than I was expecting it would.)

Too bad

Posted by chrismage - 2007/05/11 18:29

Thats too bad.
Mabey next year.

If you still have the room open, how much would it cost to room with you? My only issue is if I can pay for the plane ride or not, as I'm in TN and it's looking like I'll be forking over \$500 for the plane ride alone.

Klebkatt is--
-female
-doesn't drink/smoke
-talks and tosses in her sleep
-stays up late into the night
-drinks caffine

Try skybus.com/ for airfair. I'm not sure if there's any locations in TN or not but I can fly from Columbus, OH for under \$300.
