Is there going to be a masquerade this year? Maybe I'm a dope (most definitely possible), but I cannot seem to find any info on it.

There will be, yes. We're still adding event info to the site, so keep checking back!

Quick question... what exactly is the masquerade? Are we talkin' dancing while wearing masks, or is the yaoi-con masquerade somethin' different?

The Masquerade is the cosplay Costume Contest -- not sure when anime cons took the word Masquerade to describe their Costume Contests, but it was a while back.

ok, just wanted to clear that up, so now I don't have to worry about it since I don't plan on doin' cosplay.
