Hey is anyone gonna be doing Kingdom Hearts? I'll be Axel at the con.

I was a also thinking of being someone from Enzai or Kia from Absolute Obedience.

Ohh. I can't wait!!

Okay truthfully this is my first yaoi con. So would you say it's a lot like other cons?

Re: Kingdom Hearts

Posted by Duo Monkey - 2007/09/19 00:11

Not quite like other cons. Much more boy love. And yaoi poses. :3 Which I loooove doing. XD Normally with people I dunno. I'm known for random smooching.

I'm possibly not the best to answer this (since my YCon visits outnumber my total other-con visits), but I think it's accurate to say that, from the outside, it's much the same - there's people, there's cosplay, there's events, there's art for sale, there's a dealers room etc etc etc. Once you're inside, though, it's got a whole other feel to it. It's so much friendlier, so much more energetic, and somehow just feels that bit more alive. There's just a certain buzz about the place that I haven't experienced at other cons, as much fun as they've been.

Could just be me, mind, but that's my perception - it's more intimate (even without the smooching >P), it's more personal, and it's just more pleasant.

Re: Kingdom Hearts

To Neko_Bazu:

Thanks a lot. I feel a bit more ready. My friend is anti-yaoi so she like aren't you freaked out? But I can't wait for the con. I personal think it's gonna have a friendlier crowd since everyone there is a yaoi fan. I hope I get to met you there.

To senritsu:

Dude a halloween town Axel! Sweet! Won't his hair just be sharper and maybe with some black or something?

It may be my last skit (and first) ever at Ycon due to me frying myself being cosplay head. XD Sooo, help a Duo Monkey out?

Re: Kingdom Hearts

I'm going to be Sora. :D Hopefully I don't get too cold, but I could still bring a jacket or something. The difference between this con and others is that everyone is at least 18.

There will be a good chance that I'll be doing a KH cosplay. I haven't seen him listened yet, and I've only seen him cosplayed like, once or twice. If I decide on this, I'll be able to confirm said cosplay. :3
