CALLING ALL CITIZENS OF PROCRASTINATION-LANDIA!!

So you say you like waiting until the last minute? You'd rather catch those weekend-only sales at 8 p.m. on a Sunday night? You figure you might as well delay signing up for Yaoi-Con 2007 until pre-registration is just about over? Well this is it! It's EEP-day people! The last day to beat the at-the-door crowds is September 26 (that is, reg packets must be postmarked by this date). So get a move on and get registered!

JUST A SPOONFUL OF BISHIES!

Just think of how tuckered out you'll be after a long day of traveling to San Fran for Yaoi-Con 2007? Imagine how famished you'll feel after refusing to pay an arm-and-leg for icky airline snack packs. Well we've got just the thing to make it all better! Introducing Yaoi-Con's version of Japan's infamous Host Clubs of the Kabukicho. Take a seat and feast your eyes on our yummy wait staff made up of those wonderful bishies you love so much. Not only will our boys serve you but they'll sit and chat with you throughout your meal! What better way to ogle the merchandise before the ever-infamous Bishie Auction!

Don't miss out on this unique event!

LINE UP AND BE COUNTED!

Tired of missing dinner so that you can line up for good seats to your favorite Yaoi-Con events? Well this year we're trying something new: we'll be handing out numbered tickets for the three biggest events, the AMV contest, the Masquerade, and the Bishounen Auction. Some details are online now, and more info will be forthcoming once the schedule's online:

SWAP 'TIL YA DROP

Need some spending money for the Dealers' Room? Never fear, the ever popular Swap Meet is back on Friday afternoon! So clear out those closets and bookshelves and cart your used goods to the con and buy a table and sell, sell, sell! For the details on when, where and what's allowed, check the site (scroll to the bottom):

NO VACANCIES?!

It's official, the Marriott Hotel is completely sold out. But never fear! We'd never let our lovely con attendees wander the streets. If you missed out on getting a room at the Marriott, we humbly suggest some alternate venues where you can park your suitcase and store your Dealer's Room swag.

Also, if you have a room and are willing to share or need a room and ain't too proud to beg, check out our forums. Plus, if you live within driving distance of San Fran or just really like to roadtrip, you can even try to hook up with someone for a ride to the con. So make new friends and get thee westward!

THE RETURN OF CAFE VERFUHREN!

The lovely ladies of Project Man Maid are back for a second year providing savory and delicious drama for the masses! Delight in the ever changing dynamics between the owner and his growing harem of bishie waiters as they serve up food, drinks, and hot fan-service for your enjoyment. These ladies have worked hard all year so support your fellow fans and be sure to stop by. Plus, this year the cafe will be open all three days of the con!
