
Roomies Wanted: Inquire Within

Posted by MissCitrus - 2006/04/19 09:22

As the title states, my good friend Ace and I are looking for two other people to quadruple with. Though we have yet to make reservations (I will actually be doing so tonight), we are planning to stay at the Westin from the 19th to the 22nd.

We're both non-smokers, so we would like non-smoking roommates if possible. Female roomies are preferable, but argue your case well for me and I'll consider males. ;3 Age isn't a concern (as everyone is at least 18 anyway), but we will both be 19 at the time of the convention, so you'll have to be willing to put up with a couple of youngins. I guess we would like to stay with people closer to our own age, but we're not going to be picky.

As for ourselves, as I already said, we will both be 19 years of age. I'm a heterosexual female (though sometimes you can't tell by my behavior) and my companion is a completely homosexual male. Point is: if you're a girl, you're safe; if you're a guy, well... >D I'm just joking around. We are both polite and won't get in your way, hog the blankets, eat all the snacks or leave the room a mess. We're coming down from the Seattle area, which isn't horribly important, but I thought I'd throw it out there.

We can be quite flexible in our plans. If you only need to stay one or two of the nights we're there, that's fine. If you need to stay an extra night after us, we can extend the reservation. We're willing to go with a triple if we can only find one roommate (though it will just be more expensive for everyone). To give you a general idea of the cost, if four people were to share the room for three nights, the total fee for each person would be about \$112 (this number does NOT include tax or any other fees, such as a deposit). So, be prepared to pay \$112+ to stay with us at the convention.

If you have any additional questions, feel free to post them. If you are seriously interested in staying with us, please PM me so we can discuss it and eventually exchange solid contact information. Thanks so much!

Mina (a.k.a. Miss Citrus or Pika Pika Queen)

STATUS (as of 4/24): One roommate position filled for all three nights, and a potential roomie for Friday and Saturday night. Still accepting offers!

I really loved your Beatrix costume, which I saw from a link in your profile. <3 I usually room with my cosplay group... but if you can't find a roommate and would like me to stay in your room for some duration of time, let me know... I'm sure that we can work something out. I'd love to meet and pose with you, regardless... drop me a line any time. ^^

Hello! I'd like to volunteer as a roommate. I'm always looking for people to stay with at y-con since everyone I know who loves yaoi that lives near me always finds some damn excuse NOT to come. Blehg. .
Anyway, I'm female, nonsmoker and I'll be 21 by con time. . so, that's not to far in age from 19. :D

I was wondering if the pricing would be different to just stay 2 nights (Friday & Saturday). I'd go for Thurs. too, cept I'll probably have classes. (will be 19 by the con & female).

From how I personally interpreted Mina (MissCitrus) in her first post, she's looking for someone who wishes to stay during the same nights that she will be... as you probably would be doing in her place, since only splitting the cost on some of the nights isn't as desirable. If you could find someone else that Mina liked who could stay in the room during the nights you weren't, that would probably work.... and I'm sure that she'd consider you if she couldn't find anyone willing to stay during the same nights as she is.

Mina, please correct me if I am mistaken... but I can't really see this being interpreted any other way.

I'd love to volunteer as a roomie. Although, I don't know how long I will be able to stay since it's still so early. Plus, I only decided to go in the past few days. I've never been to a con and I figure, dammit, Ima go to this one! I'm saving now. Plus, I gotta see how much time I can request off from work since I request everyday for Comic Con off. My first convention is July! It's so far! And then I gotta wait til October too? Damn!

Hello all, sorry I didn't post earlier for reasons of my own which have now proved silly. Anyway I'm Ace, the 'completely homosexual male' Mina mentioned earlier. While Mina is the one who's asking more of the interview-ish questions of all you prospective roomies, I'm here for any of you who wish to ask questions about me/us. As mentioned earlier, ladies please rest assured that you are infinitely safer with us than any men we might come across. :wink:

I talked to her, and she has turned me loose. ^^ In other words, she doesn't mind me flirting and playing around as long as she gets pictures of the con (Because she can't go)

It's too bad that she can't go, but I'm glad that you get to have unrestricted fun. :)

Yes! I did get it. Sorry I haven't responded yet; I've just logged on for the first time in a few days. I also apologize for not keeping up with this thread. Twelve replies, whew! @.@

I was wondering if the pricing would be different to just stay 2 nights (Friday & Saturday). I'd go for Thurs. too, cept I'll probably have classes. (will be 19 by the con & female).
While it would be preferable for a roommate to stay all three nights, I'm sure we can work something out. ^^ You would only have to pay for the two nights you'd be staying. (*whips open Windows calculator*) Lets see...at a rate of about \$150 per night, between four people it would cost you at least \$75 dollars total (though the rest of us would have to pay more if we couldn't get an extra person for Thursday night).

Irvine , you said that you would be willing to stay with us if we couldn't find other roommates. Do you already have arrangements? If werekat can't stay on Thursday night, would you be up for staying just the night before the Con? It would be at least \$38, and who knows, maybe even fun. ^^;;

And I think I can safely announce that Atrius is officially Roomie #1, though we're still hammering out the details. Welcome aboard, matey! x3

My Position

Posted by empress_leo - 2006/04/24 13:31

I'm a 22 year old, non-smoking bi-sexual female. I'm polite and very considerate so there's no need to worry about my manner. Everybody loves me! I'd like to stay the duration of the con and if I go (a.k.a. if I have enough money) I'll be arriving on the evening of the 19th and leaving the night of the 22nd. Right now, I'm trying to figure out my budget. I'll probably go by Greyhound since it's cheaper than a plane ticket but, if finances allow it, I might just spring for that plane ticket. The earlier, the better!

Another person traveling from afar, I see. ^^ We're thinking airplane travel at the moment, but we may take a bus or train, whatever is the most cost/time effective (hopefully we'll make it down Thursday afternoon).

I received your PM. If you can go for the entire con, that would be fantastic. Feel free to communicate here or through PM.

I really loved your Beatrix costume, which I saw from a link in your profile. <3 I usually room with my cosplay group... but if you can't find a roommate and would like me to stay in your room for some duration of time, let me know... Eek! I forgot to reply to your compliment. >.<; Anyway, thank you. <3 Blame KaitouHotaru, as it's his fault I cosplayed as her in the first place, and he did all the sewing (I did all the armor bits and ornamentation). My chances of me bringing the Beatrix costume are extremely slim, as I have to remake pieces of it, and it would not be fun to transport to the con. But if you don't mind posing with a Momiji, I'd love to take a few photos.

That's cool MissCitris, I'm probably going to be able to make it (for the 3 days @ least) & was planning to spend about that much anyway.

Info on me: soon to be 19; heterosexual female; non-smoker. I'm usually pretty easy to get along with (though I tend to have a wierd sense of humor sometimes). I'm going to try to save enough for plane tickets, but I'll probably end up w/ the train and/or bus...which is fine, just more travel.

Irvine, you said that you would be willing to stay with us if we couldn't find other roommates. Do you already have arrangements? If werekat can't stay on Thursday night, would you be up for staying just the night before the Con? It would be at least \$38, and who knows, maybe even fun. ^^;; I'd be honored to join you on Thursday night, Mina. ^____^ I work until midnight on Thursday in Santa Clara (35 minutes south of Millbrae), but I plan to come in immediately afterwards for that pre-convention party. It would probably be better to have a place to stay that night, and I believe my hotel room booking is only for Friday and Saturday night.

Even if I'm unable to make it until that morning or later for some reason, I'll be happy to throw in my share of the cost for that night... so please don't worry about that, as money isn't a concern. As for it being fun, I can personally guarantee it will be. *grin* I'm bringing alcohol, and I'll be happy to be sure that you have an enjoyable pre-con experience. <3 <3

hugs Mina I'm still debating whether or not I should bother trying to get roommates for the two nights that I have my hotel room for, personally. I love having anyone around, but parties are that much more fun when there's extra room for people where another roommate's stuff would be. Plus, I wouldn't have to be quiet so people can sleep. *grin*

Eek! I forgot to reply to your compliment. >.<; Anyway, thank you. <3 Blame KaitouHotaru, as it's his fault I cosplayed as her in the first place, and he did all the sewing (I did all the armor bits and ornamentation). But if you don't mind posing with a Momiji, I'd love to take a few photos.

In that case, remind me to thank KaitouHotaru when I meet him. :) I'd love to pose with you, though of course our costumes wouldn't be from the same series. Of course, that's okay anyway... yaoi knows no such boundaries. *grin* Don't worry about bringing Beatrix; it's no big deal. ^^

Room Payment

Posted by empress_leo - 2006/04/27 23:53

So...as far as the room is concerned, has it been paid for? And if so, do we reimburse when we arrive or...how does this work?

Re: Roomies Wanted: Inquire Within

Posted by werekat - 2006/04/30 19:26

A: I was wondering if you got my PM Mina (I couldn't quite figure if it worked)

B: Is the 4th spot still open (I'm definately going & I can go Thurs. now)

Okay everyone, I know this process is confusing for all concerned. Miss Citrus and I have had a few discussions on the topic and she's just as turned around as the rest of us. From what I can tell, she's recieved all your PM's so please don't worry about those, and please don't continue to post questions about PM's here. We've gotten a few more applicants

than we'd expected and we're trying to work it all out. Please just hang on tight for now. If we don't post for a while it doesn't mean we're neglecting you. Sorry for the confusion.

Real quick...

I'll be happy to stay if needed, and not stay if I'm not needed for the night... just let me know if you need me, as it will be my pleasure to join you. ^^ I'm just here to help.

Dear Thread-Frequenters,

First off, I need to make a very big apology for my extended absence:

I'm SO sorry!

I feel terrible about neglecting this thread and the people involved. I've been busy with one event after another, and with graduation fast approaching, it's not over yet. But I realized that I had to stop putting it off and moping and just get back in touch.

I've sent all of you PMs about the current situation with the room. I would like to hear back from everyone before I go foreword and make any sort of announcements or official updates to this thread, but until then, I thought that I'd let everyone know that I'm back. (And I will address specific issues, such as payment, when all of the roommates have been determined.)

And Irvine and Ace, thank you for helping while I was away. You have no idea how grateful I am for sticking with this and flaky ol' me. <3

Mina

(Edited for typos because I can't stand misspelling. >_<)
