Wish we would have known! But we're already sharing a room with friends. We're arriving in San Fran on Tues (10/23) - first time there so we want to check out the sights.

How weird is that!? My sister is going with me too! Well, she isn't going to Yaoicon (not her thing - I know how can we be related!?) LOL! But her and a friend are going with me out to CA to check it out.

Hey Cassandra! Sorry we didn't meet up at the con. Hope you had as much fun as I did...right now I'm trying to stay awake here at work.

Anyway, a co-worker sent this to me...and I wondered if you knew about it..

ehehe.
"You dropped this"
I still need to see that!
I was so braindead tired from the bus trip back I'm not sure where I put your card.
How'd the 30x30 show go?

That show is on December 6. The preview show (which did not contain the piece in question) was the night I got back, but that was really just another "hide in my buddy's photostudio, play guitar hero, and drink" night.

My gallery link is in my profile, for your convenience, and I'll be doing some real documentation of the show between now and the 5th of December. I'm still adjusting to the fact I'm finally home and have to behave like a grown up again...
