
Yaoi-Con Exclusive: Limited Edition Ja-dou Gift Sets!

Posted by tpod - 2007/09/29 08:18

That's right, for a short time only, we're making these super cute Ja-dou doujinshi and clear file gift sets available as a convention exclusive item. Available only in limited quantities, the English language doujinshi -- yes, you read that right, it's in English! -- comes with your choice of one of two pairs of clear files, each with a different character from the series! If you're fans of Tsubasa-sensei and Oki-sensei (or just like pretty boys), you won't want to miss out on these collectors items.

Set A will be available for pre-order, to be picked up at the convention or to be shipped to your home. Deadline is October 9, 2007.

Set B will only be available at-con -- be aware that both sets are a very limited run, so may not be available at all after the convention. Get 'em while they last!

For pictures of the goods (including a peek inside the dj) and info on how to pre-order Set A, go here:

I have a question.

After making payment by paypal (including the shipping fee) are we suppose to receive a confirmation email besides the paypal receipt? (coz I didn't get any). How do we know our order is okie? >_<

I have opt for shipping option since I won't be able to come to the con :(

Thanks beforehand for the beautiful doujin <3

The paypal receipt is your order confirmation. As Kawahara-sensei is bringing the sets with her to the con, we will be shipping sets to folks not attending the con after the convention.

I also pre-ordered and am having mine shipped even though I'll be at the con. But I would like to get the other one.

worries won't be able to get the other one due to programming conflicts So many panels! So many events! So little time!

Thanks! One of my friends is going to love them - she's obsessed with the artist.

I hope they reserve some for pre-order people who's not attending the con like me >_<. I'd be very very sad if they ran out of it :(
