^\_^ It said I would get an email to tell me if I got the reservation today but I never got it and I might not be able to get onto the computer tomorrow to check my messages. How do we know if we got an RSVP seating?

Hello Lovely,

Matta is in charge of the RSVP time slots information. If you did not receive a reply it is possible your request did not make in time. However, if you would like to know for certain stop by the cafe at 2:00 tomorrow when we are open for regular hours and I am certain Matta will be able to clarify this concern to you.

Your Sexy Waiter,  
Vincent L.
