
Fremont, CA (or anyone in the BAY AREA!)

Posted by Ryshili - 2007/07/12 15:31

I'm resided in Fremont, Ca, as you can tell from the subject.

Just wondering if there's anyone else around here... Maybe looking to hang out and such. :3

Or just complain about how the weather is getting too hot for the bay area. DX

Hi hi! ^^ I'm only two cities over. I live in South Hayward. I'd love to hang out before and during the con.

Hey another person from Hayward...never thought I'd see that here. ^^ Originally from South Hayward, but now I live under the Tower. Don't think CSU counts as that. ^^

No...worse.

I work there. ^^ In the ugly squat tower that needs gargoyles of Warren Hall. (I almost wrote that 'hell' originally. ^^)

So what are you going for in a degree?

I was going to go for literature, but I was urged to try Creative Writing. Liking it so far, especially since I seem to be good at it. I wish I had the drive that most writers do.

...?

The parenthetical was in reference to my erstwhile status as a Bay Area resident so that I might not have been totally off-topic. ^^;

LOL, Don't worry, I get a fee waiver since my mom works there and I'm still a dependant.

Was I the only one who didn't even notice last night's earthquake? (Ignore my location, I'm in Berkeley still until tomorrow afternoon... way too soon if you ask me...)
