
Music corrupted by Yaoi?

Posted by Gothkitti - 2007/03/07 09:22

I've been bored at work, lately, and have been planning for next Yaoi-con so I've been thinking about good songs to use for stuff. :D

A lot of songs have been corrupted for me (in good ways, naturally) since Yaoi-con has entered my life, most of which are evident as such from the title. I figure that others may have songs which have been forever changed by man-on-man action for them so I figured I'd post my fun little list and see if anybody had anything else to add. Some are more obvious than others, for sure. :3

Smokin' in the Boys' Room - Motley Crue
Snuff the Rooster - Alice Cooper
Dirty Deeds - AC/DC
Givin' the Dog a Bone - AC/DC
Love Hungry Man - AC/DC
Big Balls - AC/DC
Sink the Pink - AC/DC
Suicide Kings - Cherry Poppin' Daddies
Dude - Aerosmith
Get In Line - Barenaked Ladies
Coin-Operated Boy - The Dresden Dolls

I'm going alphabetical so I'll make more later ^_~

Yeah, I've got a couple of really obvious ones. . . . But none of them really needed any help being corrupted.

"Michael" by Franz Ferdinand
"Vanilla" by Gackt
"Andy, You're a Star" by The Killers
"Jet Boy, Jet Girl," originally by Elton Motello
"Forbidden Colors" by Ryuichi Sakamoto and David Sylvian
The entire Ziggy Stardust album by David Bowie
T.M. Revolution in general

OK, there are a lot by Gackt I could add to that list (like, half his stuff . . . "Orenji no Taiyou," "Asrun Dream," "Freesia," "Lust for blood"--thank you, dudes at the Bishounen Auction!--all of the Moon album) but I'd be here all day, so. . . .

Not so obvious. . . .

"Faded Love" by Patsy Cline
"February Song" by Josh Groban
"It's Not A Fashion Statement, It's A Death Wish" by MCR
"Let's Get It On" by Lucas Prata
"Damage" by David Sylvian and Robert Fripp
"The Best of Friends" from The Fox and the Hound

Glad you went with "Missed Me" It turned out to be my favorite act of the auction, and incidentally I've had to go out and purchase a Dresden Dolls Cd because of it.

Wow! Thank you very much!

I'm glad that I clued somebody in to what a wonderful group the dolls are, and am totally flattered that you loved the act. Bi-boy and I worked very hard on it. ^_^
