
Minnesota?! (Or wisconsin, Iowa, Illinois for that matter)

Posted by chibitoaster - 2006/04/13 19:43

Hey, just hailing in from Minnesota. If there are any other yaoi fans from the twin cities who might be interested in "fangirling" out at a Tenimiyu party, let me know! I'll probably be having a BBQ and Bishonen Squealfest sometime in late may.

=====
