
Any Bostonians/New Englanders?

Posted by SolarCat - 2006/05/01 10:41

Hey, all. I'm in Boston, so I thought I'd see if there are any more like me lurking around here. No carpool opportunity with me, since I'm flying in, but it'd still be nice to chat and so on.

In addition: Anyone going to Anime Boston this month? :D

I didn't get to go to anime Boston, but I could have if I had the money! I live in western/central Vermont. I used to live in Lowell, MA. I was hoping to go to Yaoi-con this year, but I dont have any money (I turn 18 in late August).
