
Looking for info on a panel

Posted by Fayelee_Darkclaw - 2007/11/25 13:10

Hey I just downloaded Full metal alchemist Bluebird's Illusion on my pc and its all in Chinese I know there was a panel about software I can get to translate it but I had to leave early so I didn't catch the website...does anyone know the site? or where I can go to get a translator?

This may be somewhat late, but that program is AGTH and it only properly translates Japanese, not Chinese. ^^
