## B-Boy Bath Chara Collection at SF Kinokuniya

Posted by Mistressbeatz - 2008/01/04 19:57

---

FYI - I was at the San Francisco Kinokuniya today. They have the B-Boy Chara Collection bath salts downstairs in the figures and pens section. They are \$5.90 per pack or \$?? per the box. The package has a very nice design with six different character drawings on a lavender background.

You forgot the yaoi postcards. I got a couples, I wonder if I should use it but I don't want to disturb the mail person. XD
