
Selling Stuff ((Not Much)) So I Can Go Ta YAOI-CON

Posted by ZoeyNuriko - 2008/02/19 22:16

Well I need money so I can go this year. T^T.
I have some stuff that I don't need/use.
I only use PayPal though and I would bring the stuff but
as stated I need money for all the cosplay items. -____-.
I couldn't get the MySpace Link ta work,
so here's a link ta my LiveJournal where
I originally posted what I have. ((Including pictures))

Stuff I Have On LiveJournal

Here's something that I didn't mention in the post.
I'm not a Harry Potter fan, but I some how ended
up with most of the books. o_O.
If you want pictures, then let me know
and I'll steal the camera back get pix of them. XDD
I currently have some necklaces and I have Hedwig, Harry's owls.
Yes, a Harry Potter item. It's got a hook with stings attached
ta it's wings so that it can be hung. I'm not a HP fan, but I say that
Hedwig is pretty cute. I really don't want ta get rid
of it, but I need money. Also, I may not have a picture
of it, but I do have video! XDD
((Yeah I know, it's crappy, but it's
the only thing I have at the moment))

The Video Is On VEOH

BOOKS

Harry Potter and the Sorcerer's Stone ((Softcover)) -\$7
The cover is slightly bent from being in storage for a long time.

Harry Potter and the Prisoner Of Azkaban ((Hardcover)) -\$15
The only thing wrong is the page behind the cover is missing.
Other then that, the book is brand new.

John Sandford: The Devil's Code ((Hardcover)) -\$17

All for now, I'll add more later. ^_^.

I think you posted the wrong link. The link directed to my blog instead of yours.

I'm sorry about that. I added a different link that works this time. ^_^.
