
Any monkeys in Michigan?

Wooo, I feel like this is like a very messed up Match.com or somethin. Anywho, since all my friends are on the west coast (You know who you are *pokes them*) I was seeing if there be anyone out this way. I'm moving to Ann Arbor Michigan. I figure it's as close to an open minded town ;ike San Fran as I can get out here. Sooooo, if any of you are in or near Ann Arbor gimme a poke.

Yep, I try and hit it every year. Actually, it was the first con I went to back in '02.

It's in Detroit actually. Nov. 2 - 4th. It's rather close to Yaoi Con, but it's really a good con. I enjoy it much more then Ohayo Con.

I'll look into it if I'm not wiped out from Yaoi Con.

It's not a bad con, considering many are saying it could be the next Otakon.
