
ART BOOK

Hi, I was just wondering if anyone knows how to go about ordering the Art Books that Heise from Deviant art created from this site. The link on the page sends me to this site but I can't find what I'm looking for. :(

Yaoi-Con isn't handling Heise's artbook But it says on Yangfan's DA site that folks interested in a copy should email her (<http://jiuge.deviantart.com/>). She'll also have them with her at the Yaoi-Con booth at Sakura Con.
