Come one, come all! Once again, we're throwing our annual room party! If you haven't gone to our parties before, come this year, it will be a treat. All nOObs are welcome, it's a great way to meet your fellow con goers! Now here's for the information!

9 PM Thursday night folks:

Room to be announced: hang out in the lobby and the room number will be announced by word of mouth. (this year the kinks have been worked out from last year so we WILL be on time with the announcements)

Food and drink: bring what you want because not everyone may have your tastes (and it helps us out too)

Questions? Comments, just want to talk? Don't be afraid to post, I may not get back to you right away but I will try my best. We are no longer looking for volunteers for this year's party, however if there are people who would like to be drink mixers or might have music players etc PM me or post here on the forums.

And as always ^^ THANK YOU!

yay party~!!! \*glomps hiba\*

I'm soooo looking forward to this year, I can't wait to see everyone again and meets the new people. I've met a couple more friends in my area I'm trying to prod into hitting Yaoicon with me so hopefully we'll def have some new faces. ^\_^ And this time I'm hitting the RiteAid for my drink stuff so I don't have to carry it as far. heh heh Ah! Speaking of... I'm not sure what's going on with Em and her car for con this year so have we figured out the going into town thing yet? Are we going? Am I still going with you?...

I just realized I shoulda just pm'd ya, but I'm lazy and didn't want to retype it. :P

Hiba is right. The car I have reserved can only fit 5. 3 in the back, 2 in the front. If we can seat people right, we may be able to squeeze one more in, but that's pushing it. It all depends on what type of car I get when I get into San Francisco

(I have a full size car reserved, but I don't know what type until I get there)

It'd be cool to go into town with you guys but I don't really need anything so it's not a priority for me. I was just wondering since I hadn't asked recently what the current status was.  
It'll just give me a chance to hit up the RiteAid for drinks and snacks, and then take a shower that afternoon. :)

Depending on what time you want to go to RiteAid, I can give you a ride ^^ . Myka and her friend (roommates 4 & 5) will get in roughly at 1pm or so.

It is. I'm going to see if there's a chevron or conoco gas station. I'm going to stick with my reservation since the prices are rising since I made the reservation.

Due to the fact that Car rental prices sky rocketed, I changed my car reservation from a full size (it jumped over 100 since I reserved it), I had to change it to a compact (that can still hold 5 people).

I believe this is going to be the first and last time I'll be renting a car. I think next year I'll drive (if I can afford it >

ooOOoh wine from the Asti region, i've gone to some tastings in the last month or two with some great ones, from mildly dry to sparkly sweet. speaking of wine... i must see about visiting the kitfox vineyards office for a tasting while i'm down there, as its not too far from the airport, i was hoping shuttle buses would come in handy, but they're on the west side of the highway :^(

hmmmm, and if twelve people chip in five bucks, could get a nice magnum (1.5 liters) of foxy red maybe. with less people, we could experience the flavor evolution as it breathes over the weekend. thats one of the best features i enjoyed when i got one as a gift from my favorite local wine store owner, having a glass a day with a few friends.

can you tell i'm into wine? hmmmm, i should start getting purty for tonights tasting, so i can get something for the birthday boy party. well, hope to see you soon.

4 days!!! (I kno I kno 5 til con but we all know it really starts at the before party heh heh)  
I have picked up vodka, coconut rum and some x-rated. I still plan on grabbing some wine, juice mixers and sprite. Did I need to grab some cuppies or was someone else grabbing those?

Also, did you guys figure out what was goin on with the jtown thing? what time do you think you'll be leaving the hotel? cause me and one of my roomies are drivin down so if there isn't enough room for everyone we might be able to just follow you guys... that is if you don't mind the extra company! ^^
