
Please help me decide by polling!

Posted by - 2006/04/13 21:45

I have two of my costumes decided, but I want to do one more. Which becomes a bit of a dilemma, so if people can help me decide by voting on this poll, I'd appreciate it! Thank you!

Edward

You CANT go as edward ~Sniffles~ Cuase I'M going as edward! Nah...that'd be cool if you went and edward, we could hang out together ^^ (I'm going as edward cause it's really kinda ironic...him being a dog of the military and me being one as well..~~ altho the way they treat him in the anime it makes me think that I'm a little higher ranking than he is OO)

I guess that means I can't do a throwback to my 'Goth Kitt' Ed of last year, eh?

Darnit. My hair's all longer now and stuff too, and I'm not tall enough for AI :p

Ed

I was kidding OO You can be whom ever you gues wanna be....I mean it isn't like we're living in comunist china folks! Besides...I think it'd be cool if one ed was molesting another ed ~Snickers~ We should REALLY get a whole group of FMA characters together..(Im thinking of doing roy cause I'll be chopping all my hair off at the end of my current contract) It'd be perfect....hmmmm ^^

To be quite honest, I'm on FMA and Gravitation cosplay overload. >.< Nowadays, every fourteen-year-old shounen ai fan is cosplaying from Gravitation, and just everyone in general is cosplaying FMA. They're both the rage, so to speak.

I voted for Ed, just because it's a bit more original than cosplaying as a BL series character at a convention dedicated to BL (and there's a good chance you'll run into quite a few of them). But Ryuichi's totally hot in that outfit, so...yeah. ^^;; It's up to you.

No no, they're both THE RAGE BEAT. Leik OMG.
Just kidding e.e;

It's up to you.

I agree with that n.n It's really a matter of personal choice. Though, I would be Ryyuichi because... I've had an FMA overload.

Thank you, everyone. I think I've decided to bring both, since SF weather tends to get cold during the October month. *shivers*

You don't know what COLD is until you've walked out your door and into -60 F and your eye lids freeze shut!

Brr... and we complain when it gets down to around 0 F here. I like the cold, but 0's a little too cold for me, let alone -60. I don't want to imagine that... *shivers*

As for the costumes, it's tough, since both have the potential to be hot. However, I have to go with Ryuichi. It seems that of the Gravi cosplay I see, most is either Shuichi or Yuki. Of course, I've not been to a yaoicon yet, so it might be different there...
