
Two girls seeking a room!

Posted by Mystic fAte - 2008/04/25 21:12

I'm sort of confused as to if the Mariott is already booked for the convention, my friend is telling me it is but I hadn't checked myself. My friend and I went to yaoi con last year for the first time and had a lot of fun, but we weren't able to stay at the Mariott. Our hotel wasn't too far off but still. We are coming again this year and this time really want to stay there, so... if anyone has room for two tiny girls....let me know! We're coming from So Cal, so we're staying for the full event. Thanks! :)

If you're still looking, my roommate and I have a room reserved at the Mariott for Friday and Saturday night. You'll be stuck with the couch pull-out bed, but it's something.

Actually some more people are going now so we ended up just getting a suite a while back. But thanks so much for the offer! ^_^
