If the space is still available, I would be interested. I'm not sure which days I will be saying, though. It depends on what my class schedule looks like for the fall semester.

My friend Carina and I are hoping to come to yaoi-con this year. We were hoping to find some people to share a hotel with, as its too expensive to get a hotel on our own. I am male (just a heads-up as that is a concern for some). We are both 22 year old students. We have attended cons before, from Anime Expo to Sakura Con, but are new to yaoi-con.

Good news guys! There's an 80% chance I could get an associate rate for your rooms, so the price is around \$90 per night. I am waiting for the confirmation on this, let's cross our fingers and hope we could get it! ^^

And since we bother are staying for 5 nights, and the same type of room, I will be doing the math for the both of us. And I need to know how many nights you are staying in order to do so. So please?
