It's never too early to plan your cosplay!

So who's doing Naruto related cosplay this year?

We gotta meet! My friend has this crazy idea, 'bout a pj party, anime style.

In the evening, we will gather around in our costume made pj, that present your charactor and do whatever. XD

Anyway, I will be, Naruto (Shippuuden), and Naruto in PJ, and Naruto as an Akatsuki member, I am thinking about Orochimaru too, if I got time to make the costume. lol

Gah...I really never wanted to get into Naruto in the first place, but curse being the middle child of two Narutard sisters that only cosplay Naruto cosplays. -dies-

Eh, I have a Kimimaro cosplay that's good enough. Might have to fix up the butt-bow a bit, but yeah. If anyone wants to see Kimimaro, I'll bring it. (I'm more of a pirate fan than a ninja fan.)

Haha, neat I'm not the only one who wants to run around as Naruto in his pjs!

I have a different cosplay for myself already, outside the Naruto fandom *gasp*

But if I get the pajamas finished like I originally planned, then I'll be Naruto in his pajamas too. Just need to mooch

someones sewing machine again!

Neh, I thinking now.

Kk, I need help deciding on my Naruto cosplay for Yaoi-con (If I raise enough funds to go this year.)

Kimimaro or Kakuzu.

Now let me explain, this is no ordinary Kakuzu cosplay. I plan on a sorta bishie version of him. No mask or anything covering his head. I've dyed and styled my hair like his and plan on using scar make-up and thick black plastic string to make the stitches around my mouth as well and my shoulders and such. (My Akatsuki coat my sis is helping me make will be opened and it'll be hanging off of my shoulders.)

I will bring a board with me too. If we have lots of ppl play, will need more than one board.

Hmm, should make it more twisted though....I mean more fun, YAHAAA!

Like when the players on the board, we should like as random silly questions to them, I'll call it , the twisted truth! Am I making any sense? Example, a Sasuke cosplay is on the board is his/turn, while he/she attempt to place their hand and feet, we on the sideline will ask a random silly/naughty question, and Sasuke gotta answer it!

Quesiton: "Sasuke, did you top last night? I heard you alllll the way from the basement! Never knew Naruto is a such a GOOD seme!" Blink innocently.

Sasuke:

XD
Kill me.

We might have more than one board around here I'll bring both if we do.

YES YES! Regular Twister is not naughty enough.

Then it will definitely have to be recorded!

Heh, might as well have spin the bottle in some random hall while we're at it. It can only be a peck on the lips or cheek if people are shy, but that would make a great photo op.

@Hpm: I just check the listing, seems like the Naruto gathering will be on Saturday at 12pm, you must be up by then, right?

On my first post, I had mention a naruto PJ party. Our group is thinking about doing that on Friday evening, maybe after Bishie Bingo. If anyone is interested, please y'all welcome to join in the crazziness. XD

Has it been decided where everyone is going to meet? Or is undecided till the time comes? Can't wait!!

Check out the official listing. It's already up.

Oh, if you meant the PJ party, we could meet after the bingo, then gather in the lobby.
How's that?

=====

Re:Naruto gathering/photoshoot '08

Posted by YumiAsuka - 2008/09/07 12:25

Yeah the PJ party. Sounds like a good plan! Should we just go to bingo in our pj's? Or is that why we're gathering after the bingo? Sorry, I just want to make sure I know what I'm doing. I get really scatter-brained when I get excited. >_

Re:Naruto gathering/photoshoot '08

Do you have to wear PJs?

=====

Re:Naruto gathering/photoshoot '08

Posted by J_Chen - 2008/09/10 14:54

@Ed: Yes! That's why we call it a PJ party. But really though, if you are planning to cosplay any character from Naruto, you just have to wear PJ, instead of the usual outfit your character has. Me and my friends are planning to be running around in our custom make boxer! XD

@YumiAsuka: For now, we are thinking about changing into PJs after the bingo. But if you want to wear PJ to the bingo, be my guess!

=====

Re:Naruto gathering/photoshoot '08

Posted by Ed - 2008/09/11 16:16

I don't wear PJs, and I don't think I'll have the time to get PJs made for my character. :(

Re:Naruto gathering/photoshoot '08

Posted by J_Chen - 2008/09/11 18:00

@Ed, anything that you wear to sleep is fine, doesn't have to custom make. Or better yet, just show up! lol
We'll party late into the night. If we can.
