Who all here plans to cosplay as an RPG character? If so, what would you think of a gathering for general RPG characters? I'm thinking of holding one.

If I so had the time and the funds, I'd so cosplay either my wood elf warrior Dracia from Everquest or my blood elf rogue Hymeneaus from World of Warcraft.

...Or are you talking about all rpg games (Such as Fire Emblem, Star Ocean, and Final Fantasy) in general?
