### WHO SAYS MUSES ARE SKIMPLY DRESSED CHICKS?!

As far as we're concerned, nothing gets the creative juices flowing better than pretty boys. So let the boy love light shine! Whether your passion is writing or working your AMV magic, the Fiction and AMV contests want you! And to help get you going we're back with themes. This year, the AMV contest is uping the ante with "The Dominator and the Dominated," dedicated to overbearing semes and the submissive ukes who worship them. Make it hard or soft, hot or sweet, but make it and send it in!

Not to be outdone, the Fiction contest is focusing on a wide range of prompts, from the release of Absolutions to pulse quickening Declarations; from the anticipation of Countdowns to the embarrassment of Bad Timing and the dreaded Elephant in the Room. So invoke your muse and get cracking!
