
Room for 1 or 2 more

Posted by Neon - 2008/02/18 10:50

Hello, I have a suite reserved from September 25th-29th. There's already five of use (including me) and there's room for one or two more people (if you don't mind sleeping on the floor). With 6 of us, the room will be 102. With 7, it'll be 90.

If your interested, please either respond to this post, pm me or send me an email at [kellie beautiful-beast net](mailto:kellie_beautiful-beast_net)

And I hate to do this, but I'm looking for female roommates only.

The room is non-smoking. ^^

Well, if you & she are interested, there's still room for two people ^^

If you and your sister do deciede to room with us, is it possible you can email me? I'll then email you the information (the room rate, my cell number so when you arrive at the con, you can call to get your room key ^^)

You're welcome ^^.

Just letting you know that if you're arriving on Thursday, Hiba (one of the roomies) will be having a party, which you can read here

Do you know when you & your sister will arrive?

The room rate is 90 per person. If that's too much, please tell me and I'll come up with something (because the room is expensive and I'm placing it on my credit card).

I will be arriving early Thursday morning (roughly 8am). Hiba (one of the roomies) is having a party Thursday night, so I thought I'd tell.

Check out will be early, since I have to return the car, so roughly around 8am or so.

Just thought I'd mention ^^

Sorry, my sister and I aren't going to be able to get to Y-Con this year. Please have a great time while you're there.
