
Room for at least two people at Marriott

Posted by Obi - 2008/06/09 15:13

Hi,

I have the Marriott booked from Friday through Sunday. If anyone is looking to just stay the two nights we have room for at least two. If interested you can post a reply here or email me at crawfordnokoi@aol.com

I have the rooms at the con rate and I am asking for people who do not smoke and have no pets as I am allergic.
Thanks!

We have a Double Room with two Queen Beds and its the con rate so \$115 per night including taxes and fees and depending on how many stay is how much the cost is split.
